From Packard's Mouthly, for May ! THE SONG OF THE ANVIL. dient levis of the Tooth, Within the village smithy

Atoo Y-Burner

Right merrily I ring,

And under the stroke of the hamme A tanged song I sing rio wall hoo if Red glows the wide-mouthed furnace. The heaving bellows roar— You can hear their huge lungs panting

The smith is stalwart and mighty— He that the nedge on high Then lets it fall on the iron, And the sparks all round him fiv. With a ready voice I answer.

And cheer him with my song; I sing to him while he bears— I sing to him all day long. His arm is brawny and powerful.

Its strength full well I know: He strike with an earnest purpose, And heavily falls his blow. The children stand in the doorway

For they love to see him swing
His stedge across his shoulder.
While cheerily I sing. My roice general to the village; In both You can hear it far away, As I cheer the smith in his labo Throughall the live-long day in Tel

Phat over again is repeated Oh, ye who are sorely smitten By the fron hand of fate, bide your time in patience,

With every blow from his hamme

Ye have not long to wait. Oh, young man, engin and honeful. Oh, young man, valiant and strong. When the blows fall fast and thickest

The Difficulty about that Dog. BY JOHN QUILL.

This is the cause of all the trouble Losse of the Carise of an the Crouble:

Losg with a oras collar upon his neck, and
the tip of his tail gone. Answers to the name of
"Jack." Five dollars reward will be given to
the person who returns him to JOHN QUILL,
No. 84 Bickety Row.

I inserted the above in the daily Flipflap, in the hope that I might recover the animal, to which I was attached. The Flinflap goes to press at 5 a. m. At half-past six I was awakened by a pull at my door-bell. I got out of bed and opened the window As I looked out I saw a man standing in my front yard with a mongrel dog tied to a rope. He gazed up and observed.

"Hello! are you the fellow who lost a dory?" "Yes, I am."

"Well, then, I've fetched him," said the man. usiness of A NEW THING. four sticks, than a dog of any kind. "Well, ain't you a going to take

And I want you to move off now, or I'll call the police."

"Now, I guess you think you're the subject "Well, you for five cents, I would. You don't leave I'll call the police," I exknow a good dorg when you see him claimed in dispair. ripping the palings off the fence.

There was a man there with six dogs. of a variety of breeds. "Wh-wh-which of 'em's him.

b-b-boss," said this feller, for he stut-tered as if he would strangle on a small syllable.

" Neither of them." "Y-vou said his na-na-name was Jack, didn't you?" "Yes, that's it."

"W-well then, wh-wh-what d've call that 2" says he, as he sung out, "Jack,', and the whole six dogs look-ed up and wagged their tails like a lot of spavined oxen in fly time.

sense to expect me to take the whole jumping about until there wasn't a six dogs because they're named Jack. I don't want to start a sausage mill, you understand. Mince meat isn't in meal time.

I haven' got my dog yet. I don't

"W-w-well, ain't you going to take him ?" "Certainly not, do you suppose am a gibbering idiot?" "W-w-w-well, you sh-shan't have him now if you want him. I wouldn't and had hold of that man with the

like you, anyway."

And the six canines fell into a fline and trotted down the street after him. the dog line in this world. I hadn't got fairly into the house, be-

fore there was another ring. Seedy looking man with a semi-decayed yellow dog. His ribs stuck out so, that he looked as if he had gorged himself with a spiral spring. "You advertised for a dog, I believe

Well, I caught him around here in the alley, after a desperate struggle. Fine dog, sir." "Well, I don't think he is. He looks to me as if he wasn't well. He is too ethereal for this world, you

man, depend upon it." "Oh, not at all, sir. Only shedding his coat, sir; all good dogs do it at this time of the year." "See that, sir, said this seedy Caucasian, ho'ding the dog by the cuff of

the neck. "See how he yelps; that's a good sign of pluck; that dog would fight a million wild cats, he would, "Get out!" I exclaimed, and the dog put his tail between his legs and

ran for the gate. "See that, sir? see that?" said the man, as he seized him, "that's a sign he's well trained; no raw dog acts like that, I want you to know. Now, suppose you fork over that five." "Not much! I don't want him, my "You won't do it? Well then take

mal. You'll never get another such a "I tell you I won't have him." "Well, don't then," said this man, as he kicked the animal over on my

THE FALL OF THE FEMALE BLONDIN On Tuesday evening an intensely exciting scene was witnessed at Boldin" had been announced for an out-The Unweried Action of the click from the third stotouches the heart is multiplied by the intensity of the heart's own changes. Hence it is that it is so sensitive—so type and quick an index of the body's state. Hence, also, it is that it never state. Hence, also, it is that it never state. Hence, also, it is that it never state. state. Hence, also, it is that it never wearies. Let me remind you of the work done by our hearts in a day. A man's total outward work, his whole effect upon the world, in twenty-four hours, has been reckoned at about 350 feet from where she started there was a good "hard day's work," during the good "hard day's work," during the same time the heart has been working at the rate of 120 foot-tons. That is the retained blood in the stand and the turned back. In a moment, and the breathless anxiety from which the lady was speaking.

Seven the "Female Bloudin" entered ion and creeds. Mr. Dupe, a convertible of butcher, who is the leader or a sect of Christians having a conventicle in more bayonets? Military men be lieve that all measures must be confident of the train there is a swain; his voice is ingreat force, for a hymn. The call was responded to, and the free-think-inglady's voice was drowned for a large ugly knot on the rope several inches long. She essayed to cross it, and then turned back. In a moment, at the rate of 120 foot-tons. That is lowever, she resumed her perilous at the rate of 120 foot-tons. That is lowever, amid the breathless anxiety from which the lady was speaking. at the rate of 120 foot-tons. That is however, she tosumed the breathless anxiety from which the lady was speaking, the class of France, who do not care and horrid threats he rends the eveto say if all the pulses of a day and night could be concentrated and weld-night could be concentrated and weld-ed into one great throb, that throb would be enough to throw a ton of iron 120 feet into the air. And yet the heart is never weary. Many of us to the case of thousands who stood sixty feet bears of thousands who stood sixty feet bear and the din was literally deafening. Some of the Canaanites collected a quantity of cabbage-heads, and one foot was leaving it she stumbled. At once she threw her pole to the crowd the heart is never weary. Many of us to deafening the class of France, who do not care what particular form of government obtains so long as they are permitted to make money and are let alone. Our own quiet submission to a gradual but persistent usurpation of what we teacher writes: "After I saw Mr. the heart is never weary. Many of us are tired after but feeble labors; few of us can hold a poker out at arms length without, after a few minutes. dropping it. But a healthy heart, and many an unsound heart, too—though sometimes you can tell in the evening by its stroke, that it has been vexed by the hands. There were loud cries by its stroke, that it has been vexed dropping are the heart is never weary. Many of us aim that she only escaped by dropping aim that she only escaped by dropping hut persistent usurpation of what we once considered sacred rights; the growing love for luxury and extravations and nervous game so prevalent throughout the dust supporters seemed more numerous doubt in the evening that the seemed determined on a fight when the Mayor, with a body of possession, the more perfect my self-self that fatal facility we have of "Lower the rope," which was according to the country on the cache seemed more numerous distinct the forced feeling that republicanism, at least as radicalism has administered it and construed it, is a failure; and that fatal facility we have once considered sacred rights; the growing love for luxury and extravations of what we cacher writes: "After I saw Mr. Rarey breaking a colt, I found it was growing love for luxury and extravations that the rope is a strong. The label of the rope, but the rope is a strong, and the rope is a strong. The label of the country of the forced feeling that republicanism, at least as radicalism has a failure; and that fatal facility we have once considered sacred rights; the growing love for luxury and extravations of the rope. The label of the country of the forced feeling that republicanism, at least as radicalism has a failure; and that fatal facility we have once on steach of the country of the forced feeling that republicanism, at least as radicalism has a failure; and that fatal facility we have once on steach of the country of the forced feeling that republicanism, at least as radicalism has a failure; and that fatal facility we have onc of "Lower the rope," which was acpelled the crowd to disperse. The lacordingly done, but only for a few dy free-thinker repaired to another; the dangers of to-day. It becomes trying to govern his school, and does and worries of life—goes on beating feet. With more speed than can be place, where she preached upon the the people to arouse themselves to a not succeed then, because he has not told a great number of men massed French Revolution as a noble attempt true sense of the actual situation, and learned the great truth that Rarey themselves together at the place over to enfranchise the mind of man, until to see how they, their institutions taught us so impressively, that you which she hung by the rope, and beg- a smart shower dispersed her congre- and their rights and liberties stand can govern a horse's legs by getting just begun to beat.
